#### "Thinking Inside the Box", Rev. Leland Bond-Upson

I have spoken from the pulpit only once before about my understanding of the church dynamics operating here at 1st Unitarian, and about my imaginings of a vision or two for the future. That was on 12/5/10, and was titled "Thinking Outside the Box." Exactly half a year has passed. It's time for an update, with jokes.

**You could be one of our voting Delegates.** For the first time this year, Delegates may participate in GA via the internet. While the internet Delegates may not vote this year, it is proposed that next year they will have that capability.

Please call or email Board President, Charlotte Huszcza (808-672-7341; [lottefish@msn.com](mailto:lottefish@msn.com)) if you would like to be a Delegate. Check out the General Assembly website: [uaa.org/events/general-assembly](http://uaa.org/events/general-assembly) -CBH

### Free Lunch Today!!!

Our beloved Church is on an exciting journey. In August, our new Settled Minister, Rev. Dr. Jonipher Kwong will be with us. We all know it takes the time and talents of many Members and Friends to keep our Church on course. **It also takes money.**

Our 2011-2012 Pledge Campaign, **New Directions**, will fund all those programs which we all appreciate.

Please fill out your Pledge Form. The deadline is today, May 29<sup>th</sup>.

**Everyone who has filled out a Pledge Form during the last few weeks or has filled it out today will be given a free Sunday Lunch. Just hand your filled-out form to the cashier. If you have handed in your form previously, then you are on our list.** The Church needs you.-CBH

## The First Unitarian Church of Honolulu A Unitarian Universalist Welcoming Congregation

### WE WELCOME NEW MEMBERS!

One becomes a member by completing an orientation, signing the Register of Members, and making a financial contribution. If you would like to discuss becoming a member, please speak to our Minister.

THIS IS A FREE RELIGIOUS COMMUNITY. Our services regularly draw on the language, symbols, and practices of a diversity of heritages; all of which may have something to teach us, but none of which we consider final or authoritative. You are asked to accept—and indeed live by—only that which does, in fact, persuade you. Your participation is welcomed in the expectation that your point of view may add richly to that diversity.

*We need not think alike to love alike.* –Ferenc Dávid (c.1510-1579)
