## Unitarian Universalist Religious Education

Child care for small ones in Room #5 upstairs, with Sylvia and Phyllis. Older children and youth join their parents for the first part of the Church Service. Then Elementary School children participate in our UU Summer Bible School:

A Kingdom of Equals: Jesus' Radical Path to Love and Justice. This week Lisa Wong-Jacobs will be with the children.

Children are also invited to participate in the church service this Sunday, Taste of UU. We will be sharing our stories about foods in our lives that connect us with one another and with our church. E komo mai, y'all.

Sunday, August 29 will be our LAST 4 p.m. Sunday Service. Following this service, our Youth Group, under the superb direction of Ron Denesha, will present a Sumptuous Spaghetti Dinner, to go with the 'mimosas'.

**GATHERING OF THE WATERS OF OUR LIVES:** Our Fall Religious Education program begins on Sunday, September 5, at 10:15 a.m. at Kailua Beach Park, with the Unitarian Universalist Water Ceremony/Celebration. Each person, [yes, each one] is asked to bring to this service a small amount of water from a special place. The place can be your very own kitchen sink, somewhere that you have visited, rainwater from the roof of your grandmother's house in Texas. Please talk with your family about what each one will bring. You are asked to contribute this water, actual or virtual, to a bowl of our common experiences. There will be 'extra' water available. Please join us for the service, and a shared picnic following the service.

On Sunday, September 12, the First through Sixth Graders will begin their adventures with Environmental Stewardship and Water Justice. High School students will meet with their advisors to plot and plan their fall program.

After the MORNING church service on September 12, the Ministerial Search Committee is sponsoring a workshop called Beyond Categorical Thinking. Youth and adults are invited to attend, and there will be child care for younger children during this program!

**Volunteers:** We are recruiting people who see ministry with children and youth as part of their commitment to our religious community. Adults who are willing to spend two Sundays per month sharing their time and talents with the younger members of our congregation. Volunteers to help with the Three-and-Under crowd, with the Four-and-Five year olds. Adventurers to guide and encourage the children in our Environmental Stewardship and Water Justice program.

Thru UH, Norma K. will be teaching two workshops this fall as follows; contact her for more details: Tel: 946-3291 e-mail: norma2kk@aol.com

### WE WELCOME NEW MEMBERS

One becomes a member by completing orientation, signing the Register of Members and making a recorded financial contribution. If you would like to discuss becoming a member, please speak to our Minister.

THIS IS A FREE RELIGIOUS COMMUNITY. Our services regularly draw on the language, symbols and practices of a diversity of heritages; all of which may have something to teach us, but none of which we consider final or authoritative. You are asked to accept--and, indeed, live by--only that which does, in fact, persuade you. Your participation is welcomed in the expectation that your point of view may add richly to that diversity.

"We need not think alike to love alike." --Francis David
